**Keep a couple things in mind. Everyone knows who we are and what school we represent. Show your Arrow Pride and be the band members other directors want. Be role models and leaders for your peers and other groups. From the moment you step off of the bus, you are being judged by clinicians, parents, band directors, students, etc. Make SMART choices because your actions reflect not only on you, but the entire band. Remember you are representing your band, school, and town. Be proud of who you are and where you come from! You are all awesome and talented individuals and as a group you are mighty!

Go Arrows!!
